*We need to have our friends along,
To help us make it, to make it down this road.*

*Just put a little love in our hearts;
Put some heart in our souls.*

*And together we'll all make it,
All the way down this road.*

*All we need is a little help from our friends,
We get by with a little love from our friends.*

DEDICATION

The Class of '92 would like to dedicate this year's TIOT to James R. Savage who has been the Norwood Superintendent of Schools for the past ten years. Mr. Savage attended Boston College where he received a Bachelor of Science degree in Business Administration. He furthered his education, entering a graduate program in Economics, and receiving a Master of Arts from Boston College in 1953. After a two-year commitment in the U.S. Army, Mr. Savage enrolled in a graduate program at Boston State College and received a Second Master's degree in Education.

Mr. Savage began working for Norwood Public School in 1958 when he was hired as a Junior High School math teacher. Because of his successful teaching experience, Mr. Savage was appointed vice-principal of Norwood Junior High in 1965. In 1968 he became principal of the new Junior High North. In 1982, after several years of dedication to the teachers and students, Mr. Savage was appointed Superintendent of Schools.

The Class of '92 is proud to dedicate this year's TIOT to Mr. Savage. He is not only a tremendous leader but also a respected man throughout the community. Mr. Savage has proved his dedication to the students through his motto, "Students come first." He has taken his time and effort to attend many student activities and sporting events, and he has always considered the welfare and well-being of every student. We would like to thank him for his hard work and dedication to Norwood Public Schools, and wish him a happy and successful retirement.

SENIORS

SENIOR YEAR IS WHEN . . .

- you are finally looked up to by the rest of the school
- you constantly pray for a snowstorm
- you learn the hard way that cramming for the SAT's doesn't help
- underclassmen eat their hearts out when you get out in May
- counting the weeks on the calendar becomes a habit
- you run home every day to check the mail
- you and your guidance counselor become close friends
- "senioritis" sets in after second term
- the freshman girls become more attractive to the guys
- you are convinced no one has suffered more than you
- you get writer's cramp from writing out fifty senior pictures
- the last football game brings tears to your eyes
- you look back on the memories and look forward to life after high school.

TUNIORS

The Class of 1993 showed a tremendous amount of school spirit at the fall sports rally; our section looked great! The Juniors participated in many athletic and school activities throughout the year.

Our class is fortunate to have the incredible athletic talent of students like Sarah Meeks, track star, Joe Montesano, the "hockey-baseball sensation", and Aaron Walkins, the three sport superstar.

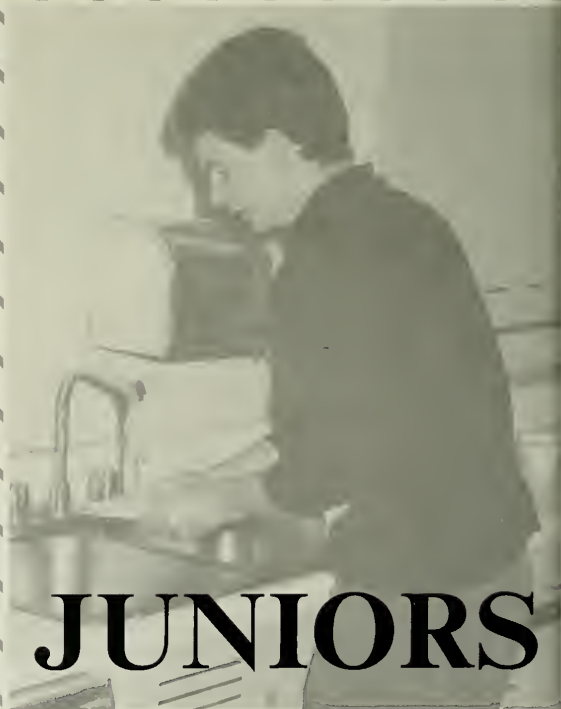

We had a wonderful time at the Jr.-Sr. Semi held on November 22, 1991, at the Mansfield Host Hotel. Later in the year the Junior Class participated in Class Day activities and the officers assisted with graduation. We are looking forward to our Senior year at NHS. We'd like to wish the Class of '92 the best of luck in the future.

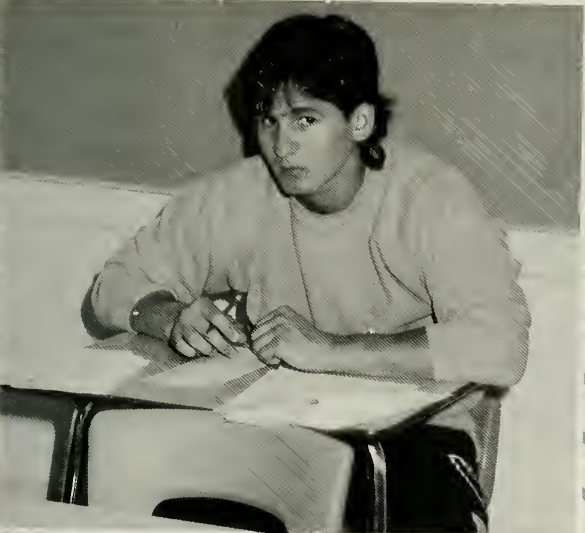

Class of 1993: President Mike Mahoney, Secretary Mark Tansey, Girls' Treasurer Catherine Rau, Boys' A.A. Tim Needham, Girls' A.A. Jane Mollo, Boys' Treasurer Steve McCann, Vice President Mason Clark

JUNIORS

SOPHOMORES

This year the Sophomore Class actively participated in the first annual Spirit Contest at NHS. For Pride Day we did an excellent job in decorating our bleachers, and showed great enthusiasm during the rally. During the Student Council food drive to benefit the Norwood Food Pantry, the Class of 1994 donated more items than any other class. We decided to start a scholarship fund for a graduate of our class. Our first fundraiser was a computer dating service for Valentine's Day. Also, many sophomores are important members of the band, Student Council, both J.V. and varsity sports, and many other activities at NHS. The Sophomore Class would like to extend best wishes to the graduating Class of 1992. Good luck in the future.

Class of 1994: Secretary Dave Bartucca, Girls' Treasurer Rayhne Cleary, President Jay Nutting, Vice President Mike Pender, Boys' A.A. Eric Breen, Boys' Treasurer Mike Gramer, Girls' A.A. Danielle Chaisson

SOPHOMORES

FRESHMEN

As freshmen coming up to such a huge school, we were all pretty scared about getting lost and getting pushed around by upperclassmen. After a few days, however, we learned our way around, and found the upperclassmen to be pretty nice after all.

There are some great varsity level athletes in the Freshman Class. For example, after just a few weeks on the girls' J.V. field hockey team, Melissa Montesano was promoted to the varsity level. Christi Harris and Robyn Gawlak have assisted in some of the girls' varsity basketball victories. Also, Steve Riccardi is the only freshman on the varsity hockey team, and has done a great job from day one.

James Mahaffy and Dee Fernandez were the only two freshmen who performed in the Air Band concert, but they still managed to place third in the competition.

We are looking forward to our Sophomore year at NHS, and with a little more time and practice, we'll make the Class of 1995 the best it can be.

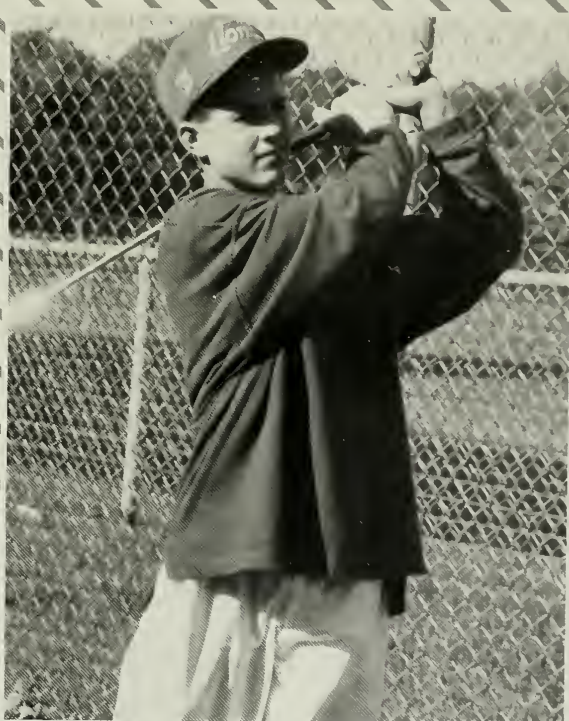

Class of 1995: Girls' Athletic Advisor Melissa Montesano, Secretary Steve Fahy, Boys' Athletic Advisor Chris Kale, President Chris Saulnier, Boys' Treasurer Mike Clark, Girls' Treasurer Robyn Gawlak, Vice President Meg Drummey

ACTIVITIES

One activity the whole school can be especially proud of this year was the fundraising done to benefit the Kevin McNulty Fund. The entire student body reached out in an effort to raise money to help save 3-year old Kevin by finding a bone marrow donor. The McNulty's hoped to raise \$50,000; Norwood High came up with almost \$12,000 of that amount.

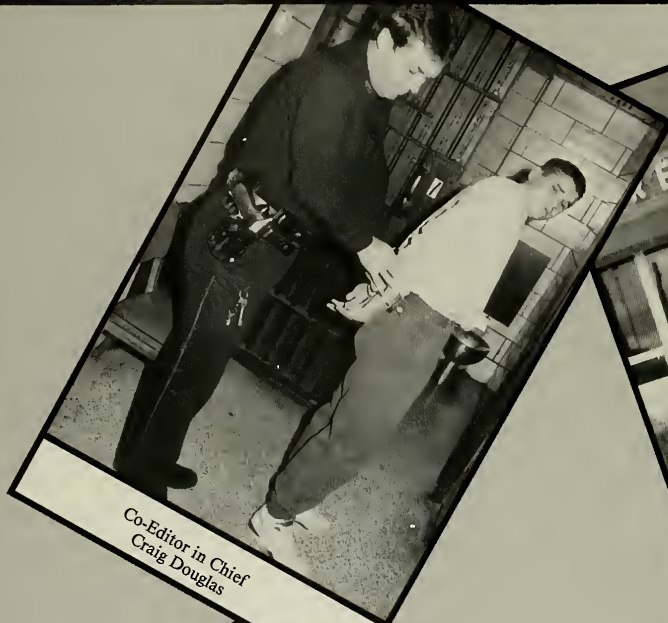

The largest fundraiser for the effort was the "Dance-a-thon" on December 6, 1991 sponsored by the Student Council. All ticket sales and soda sales were put toward the fund, as well as pledges collected by students. Also included in the Student Council effort were funds collected in cans at school lunches and the Thanksgiving Day football game. A check for over \$11,000 was presented at the Christmas assembly to Mr. McNulty. Student Council Treasurer, Joe McCann, was recognized for his involvement in the project on Channel 5's "High Five."

Other groups also gave their time to help Kevin. The National Honor Society sold Christmas pins at lunches, and the cheerleaders donated the proceeds from their calendar sales at the Thanksgiving Day game to the McNulty's. Finally, a small group of students old enough to give blood were tested as possible bone marrow donors for Kevin on his fourth birthday, December 29, 1991. Positive news of a donor was received in March.

As a whole, Norwood High can be proud of the values shown and determination exhibited in this overwhelming outpouring of compassion by the student body.

1991 was an outstanding year for the Norwood Mustang Marching Band. The band opened strong and stayed that way. They won gold medals at the state finals and the New England Division III championship.

There were just two undefeated bands in New England in 1991, and the Mustang band was one of them. Along the way the band established a reputation as an exciting musical and marching unit that performed material of considerable depth and difficulty.

For the Mustangs, the music of Aaron Copland and a work ethic unmatched in New England equalled an incredible season.

Medieval

In the year 1540, King Henry VIII (Geoff Sullivan) presided over court with his fourth Queen, Anne of Cleves (Anne Provencher). One of the court guests was Philip of Cleves (Mark Dellelo), a land graf of Germany.

As guests entered the hall, they were announced by the Court Crier (Chris O'Neill) and seated by the servants of the Court. While the guests enjoyed a four course meal, they were entertained by the Court with songs, carols, fanfares, dancing petitions, and sword fights. Guests were invited to participate in several dances, the knighting ceremony, a song contest, and a bowling tournament. To top off the evening's entertainment, Alexander, King of Jesters, made an appearance.

The Friendship Club is an organization within Norwood High which reaches out to special needs kids attending the school. The Club contains about fifty active members who meet with the students on a biweekly basis called the "Social Hour." Many members of the Friendship Club go with the students to various sporting events, field trips, houses, or spend time with the students during lunch. This organization provides the students with an opportunity to meet and develop friendships with other kids who share their own interests.

This year the Honor Society collected 45 pints of blood for the Red Cross, raised funds for the American Heart Association in a phone-a-thon, printed 3000 Bay State League Hockey Programs, ran a food drive, and helped raise funds for Kevin McNulty. We also ran a spoon drive to benefit Project Bread, and participated in the NHS peer tutoring program.

This year's officers as well as next year's attended the first Statewide National Honor Society Leadership Conference at the College of the Holy Cross. The conference was attended by 40 schools and over 300 students.

Peer Education is a group of students dedicated to teaching younger children about the dangers of drugs and alcohol. We go through about twenty hours of training, both in and out of school hours, before we are allowed to enter the elementary school classrooms. This year we are planning to teach classes in the sixth, seventh, and eighth grade. Also we have written a play which we will be performing for the fourth grade in each elementary school. We try to stress that there are several alternatives to drugs and alcohol for kids to get involved in. We feel that we are addressing a serious problem in society, and that we are helping to make a difference in the Norwood community. We would like to thank Mrs. Ann Keegan for her unbelievable enthusiasm and support in this program.

With the help of a lot of great people, this year's Student Council was able to have a very successful and exciting year. In addition to the annual gifts for the elderly and a terrific Thanksgiving food drive, the council raised an incredible twelve thousand dollars for a little boy. Kevin McNulty was diagnosed with terminal leukemia and fifty thousand dollars was needed. The council went right to work arranging a dance-a-thon and can drives. Thanks to the very generous student body and community we were able to help Kevin. Much appreciation to all those who gave their time and effort to make the Council so successful.

Forever friends

Our friendship has endured many years
As I reflect I can feel the tears
When we first met I was quiet and shy
You were outgoing and maybe that's why
We became close, like night and day
"Look at those twins," some people say
The time will come when we must part
And give our dreams a start
It scares me to start new
What will I do without you?
You are my strength through good times and bad
I'm already beginning to feel sad
Together we've cried and shared
I hope you know how much I've always cared
Who know how our lives will turn out
One thing you can be sure about
Is that my friendship will always be with you
What can I say but thanks and I love you

We can walk our road together
if our goals are all the same.
We can run alone and free
if we pursue a different pain.
Let the truth of love be lighted.
Let the love of truth shine clear.
Sensibility... on with sense of liberty
With a heart and mind united
in a single perfect sphere.

THE LEGACY
CONTINUES

THOUGHTS

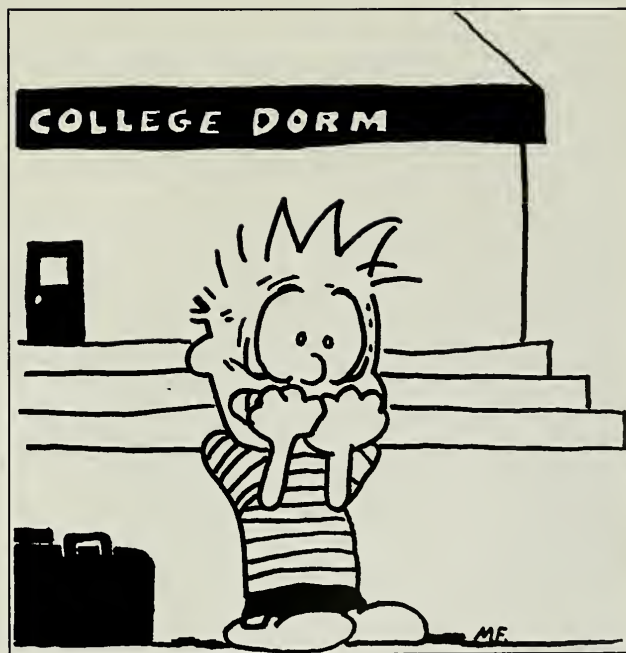

The good times that we had,
The many laughs we shared -
Today we shed a tear
For no longer we'll be paired.
The summers by the pool,
Gabbing 'bout the night before;
I'm sad that they're all memories
That we'll repeat no more.
Graduation parties one must not forget
Rushing here and there;
Late nights, - and yet
Learning the electric slide -
The fashions, make-up, "do's"
Especially the French braid -
The swapping - what good news!

Fate brings us here today
To bid a fond adieu
To all the friends we've made
And to my dear friend, you.

Amy, in all that you do
I wish you all the luck
In the world;
For noone else is quite like you
Friends - best friends
Forever more!

On August 5, 1991, the Norwood sports community lost a dear friend. Frank Wall, sports editor for the Daily Transcript, and Norwood Little League coach for nearly 40 years, died suddenly of a heart attack at the age of 62.

Frank was best known for his caring personality and unending interest in young athletes. He made the athletes proud of their accomplishments and gave them a sense of importance and confidence. Frank will always have a place in the hearts and minds of the athletes whose lives he touched.

The Class of 1992 proudly dedicates this Tiot sports section to Frank Wall, a Norwood sports legend.

MATT MCGHEE

Coming off a winning season under second year head coach Joe Smith, the Mustangs went into the season with a positive attitude. Key injuries in the early-going put a damper on the Mustang's season. Our team didn't know the meaning of the word quit and gave 100% all four quarters of every game. Senior Matt McGhee was elected team MVP. The class of 1992 wishes next year's team, which returns nine starters on offense, the best of luck for next season.

NEW ENGLAND REGIONAL CHAMPIONS

This was the first year for a football J.V. cheerleading squad. Coached by former Mustang cheerleader, Kelly Griffin, they were very successful and won the J.V. division in the New England Regionals.

This year's varsity team had a lot of talent as we improved our tumbling and stunts tremendously. It was a fun year, although very frustrating. The day before the New England Regionals, freshman Heather Bohan dislocated her shoulder and we needed to rearrange our whole routine, bringing in Jessica Lawson from the J.V. Squad and bringing Stephanie King back from an injury. We competed against many talented teams but we pulled together and with a lot of determination, managed to win 1st place at Regionals.

We battled back from many setbacks and went on to place second in the Bay State competition, and first in the New England Regionals, the Can Am Regional Qualifier, and the Massachusetts State Competitions.

Julie Dimaggio and Nancy Grenham were named Bay State League All-Stars. Lisa Tassi and Nancy also won scholarships at the State Tournament.

This year's team would like to thank Nora Glynn and Donna Brown for their hard work and dedication. We would also like to thank our parents and friends who travelled to our competitions to support us. The seniors wish the best of luck to next year's team!

Kate McCann, and sophomores Jen Murphy and Christine Miley were named to the Bay State League All-Star Team. The team placed sixth in Eastern Mass., led by Miley and Murphy. Losing just three seniors, the girls' cross country squad has great potential for another excellent season next year.

Heidi Haymen finished the season with nine shutouts and was the team's only varsity goalie. Four members of the team were selected for the Bay-State All-Star League Team: Allison Parks, Julie Saia, Laura Preveza, and Jen Foley. 'STANGS TAKE THE BAY

Coming off an eight and two season last year, Coach McKenna and his senior-laden team had high expectations for this year. However, all hopes of a league title were almost lost after a devastating loss in the opening match against Newton North. The team battled back and won their last seven matches and with both teams undefeated, Norwood would battle Walpole for the Herget Division Championship. In a rematch of last year but with different results this time, Norwood beat Walpole 65.5 to 45.5.

The team qualified for the State Tournament for the second consecutive year. They finished third out of seventeen teams and therefore, for the first time ever, qualified for the state finals.

STATE TITLE FOR FIRST TIME

The Norwood Girls Volleyball team had one burning ambition — to qualify for the state tournament. Led by captains Kerry Drummey, Marie Cortas, Heather Curley, and Eunice Hong, the team of eleven seniors and one junior had the experience and determination necessary to make this a reality. In spite of an injury to key player, Eunice Hong, the volleyball team was able to defeat rival Walpole on their home court. The season's climax was a crushing victory over Dedham, bringing its record to 9-6 and qualifying the team for the state tournament.

The team's all stars were Kerry Drummey, known for her powerful hitting and blocking, and Vicky Fruci, an excellent passer and server. MVP was Vicky Fruci. The team would like to thank Coach Irv Zeman for his dedication and wish next year's team the best of luck.

In the words of Colleen Rau: "We're gonna bump, set, spike and serve with all our might, we are the Norwood Volleyball Team!"

Firefighter's Prayer

by James J. Metcalfe

When I am called to duty, God . . . Wherever flames may rage . . . Give me the strength to save some life . . . Whatever be its age . . . Help me embrace a little child . . . Before it is too late . . . Or save an older person from . . . The horror of that fate . . . Enable me to be alert . . . And hear the weakest shout . . . And quickly and efficiently . . . To put the fire out . . . I want to fill my calling and . . . To give the best in me . . . To guard my every neighbor and . . . protect his property . . . And if according to my fate . . . I am to lose my life . . . Please bless with Your protecting hand . . . My children and my wife.

This year's baseball team, led by seniors Mike McMahon, Craig Douglas, Jon Mason, Dan Gormley, Joe O'Neil, and Mike Jacobs, finished second in the Herget and qualified once again for the state tournament. After defeating Somerset 16-6 in the first round, they were defeated 4-1 by number one seed North Attleboro. Craig Douglas won team M.V.P. and along with Jon Mason was selected Bay State All-Star.

They then traveled to New Bedford where they lost 7-2. Patti Benson, Kerri Cote, Nancy Pavia and Catherine Rau all were chosen as second team all-stars. This year's softball team would like to wish the best of luck to next year's team.

BOYS' TEAM HAS BEST

The 1992 boys' tennis team composed of no seniors, finished the year with a rebuilding 6-14 record. Coach Immonen had 3 juniors, a sophomore, and 3 freshmen make up his varsity team. Led by junior captain Niall Fahy, the boys' tennis team vastly improved from the teams of past years. This year's team had the best record in every position in five years. Coach Immonen added that with hard work, next year's team could challenge for the Herget Division title.

RECORD IN FIVE YEARS!

GIRLS' TENNIS

Back Row: Coach Levine, Marie Duffy, Pam Bloom, Susan Hong, Marie Cortas, Eunice Hong, Andrea Piazza, Catherine Jones. Front Row: Captains Carol Eagan and Victoria Fruci.

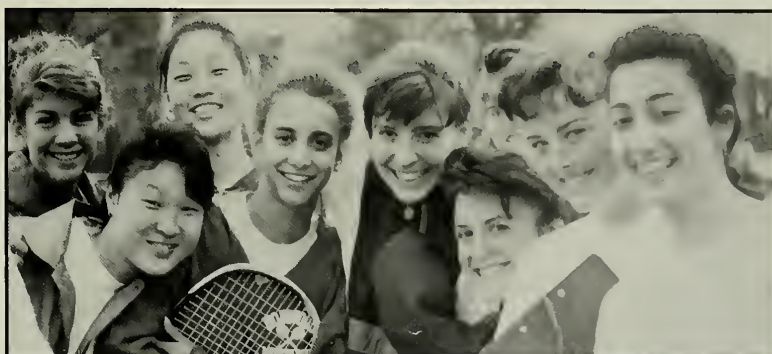

GIRLS' TENNIS HAS

This year the girls' tennis team had their best season yet. Not only did they qualify for the tournament, but they crushed their first round opponent — Canton. The season ended with a 14-6 record and once again Victoria Fruci was selected for the All-Star team. After advancing to the #3 seed in the Bay State League, this strong team turned up optimism for Norwood Girls' Tennis.

BEST SEASON YET!

BOYS DEDICATE CHAMPIONSHIP

Coming off an undefeated indoor season, the Mustangs continued where they left off, devouring the league with a 10-0 record. The presence of 100 meter star Chris Riley was dearly missed. His teammates dedicated the championship season in his honor. While wearing the number sixteen on their jerseys, the Stangs accomplished many impressive feats. Along with the Bay State Conference title, they finished one point shy of the Class B State Championship and finished fifth in the entire state. Mike Whittier in the 800, Brian Chisholm in the long jump, Matt McGhee in the discus, and the combination of Joe "The Rocket" King, Dan Burton, Joe McCann, and Mike Whittier in the 4x400 relay, all shattered long standing school records at the state meet.

Thanks to the expert coaching of Tim Drummey, Jim Forrest, and Rich Tollman, the team will certainly be considered one of the strongest in conference history. With many talented underclassmen, the future of the team looks very bright. The seniors would like to wish their coaches and teammates continued success.

GIRLS' TEAM REPEATS

After losing the first meet of the season to Newton North, the Mustang girls got back on track, continuing undefeated with key wins against Braintree, Milton, and Dedham. Once again, the team was named Bay State Champion. One of the most talented teams ever, the girls excelled in all events. The team proved its depth at the Class B Relays, falling two points behind first place. Virtually all teams entered placed, but the javelin team of Nadine Francis, Carolyn Burton, and Maureen Jennings, the discus team of Julie DiMaggio, Michelle Michenzie, and Jessica Paradise, and the 4x100 team consisting of Nadine Francis, Carolyn Burton, Sandi Campbell, and Sarah Meeks all won gold medals. The 4x100 team also broke the league record with a time of 51.1 seconds. The team put in a good showing at the Conference Meet, led by first place finishers Sarah Meeks (200), Christine Miley (2 Mile), and the 4x100 team. Sarah Meeks ran to victory at the Class and State Meet, and continued to a first place finish in New England.
